

Wedding Coordination Services Agreement

I. Wedding Coordination Selection

, [redacted], (insert name), the Client, am getting married at The Farm on [redacted] (insert date).

Choose one of the following options:

- I have hired a full wedding planner from The Farm’s list of approved vendors. Because I have elected to engage a full wedding planner, I am not required to hire a Month-of Coordinator. My wedding planner is [redacted] (insert name here). My planner will be present at the 30-day Meeting as well as during the wedding event (including setup and teardown) and will be the primary contact for The Farm staff.
- I will complete the planning, design and vendor selection processes for my wedding myself. To ensure my wedding day runs smoothly, I will hire a Farm Wedding Coordinator to assist with vendor logistics and direct my day-of activities.

I would like to hire the Professional Wedding Coordinator indicated below. I understand that The Farm will try to honor this request but the final decision will be made based on the staff member’s scheduled commitments.
